Guide to Good Practice in Grey Literature

1. Search for existing templates

2. Draft two templates
   - Proposed
   - Published

3. Divide by Section, Tag record fields

4. Include Lead texts embedded lists, help screens

Acquisition

Content Analysis

Uses and Applications

http://greyguide.isti.cnr.it
The GreyGuide Collections become 5:

- GG-Proposed Good Practice
- GG-Published Good Practice
- GL-Conference Proposal
- GSI-GreySource Index
- WHOIS-Who is in Grey Literature
- IDGL-International Directory

Our project team would greatly welcome the help of librarians and library students in the acquisition of records for these GreyGuide Collections. For those interested, please contact info@greynet.org.
